The Arizona Military Vehicle Collectors Club is a not for profit corporation formed to benefit members who want to restore military vehicles for parades, shows and trail rides. The club provides members access to people with many years experience with military vehicles. We welcome new members who enjoy military history.

The club has parades, car shows, veteran's displays, trail rides, camp outs, and various shows each year. Owning a military vehicle is NOT required for membership, but your enthusiasm and interest is. Come, enjoy and learn with us.

DUES: \$35 first year; \$30 each successive year.
